Viac života, menej bolesti.

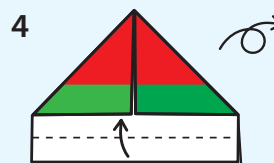

1 Preložiť na polovicu.

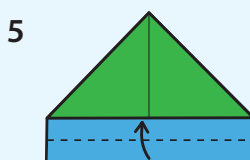

2 Otočte o 90° a spravte knižný sklad a opäť rozložte.

3 Zložte rohy dolu.

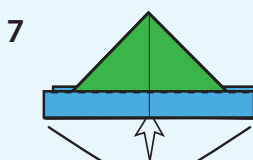

4 Preložte hore k hrane trojuholníka. Obráťte.

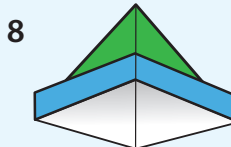

5 Preložte symetricky.

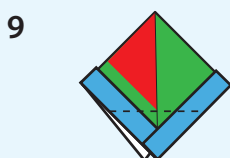

6 Preložte hore cez hranu trojuholníka a obráťte.

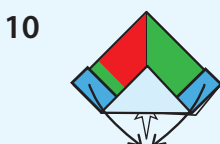

7 Vrečko zo spodu otvorte a zo strán rozťahte.

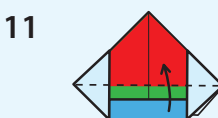

8 Dobre rozťahte pri výrobe. Tento tvar sa hodí na výrobu čapice.

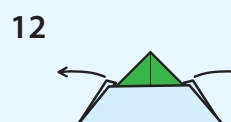

9 Preložte spodný vrchol nahor pribl. v jednej tretine. Zopakujte aj na opačnej strane.

10 Rozťahte rovnako ako v kroku 8.

11 Preložte nahor a zopakujte na druhej strane.

12 Rozťahnite vrcholy do strán a vytvárajte loďku.

Hotová loďka.
